ROCCAT™ EASY-SHIFT[+]™
THE DUAL KEY ASSIGNMENT FUNCTION

EASY-SHIFT[+]™: ASSIGNING DUAL KEY FUNCTIONS

The Isku FX comes standard with Easy-Shift[+]™ technology, which offers you the convenience of 36 easily-customizable macros strategically positioned in 3 spots in the easy-to-find WASD zone. This means you can fire off customized commands without ever having to re-adjust your hand position – so you won't have to take your eyes off the screen to look for keys. Simple and ingenious.

And because the Easy-Shift[+]™ key works just like the standard shift key, activating your macros is as simple as typing an uppercase letter.

The Easy-Shift[+]™ zone gives you an impressive 28 macros keys – including 8 dedicated keys that can be doubly programmed. Plus, the ability to instantly switch between 5 profiles lets you enjoy up to a whopping 180 macros – enough customization to meet even the most demanding warrior's needs.

MASTERFUL MACRO CONTROLS

If recording macros using a menu-based system is your style, then our world-famous Macro Manager software is just what you want. The award-winning-program lets you record and fine-tune your macros with incredible precision and with intuitive ease thanks to a gorgeous and simple-to-use interface. The Loop Function even lets you repeat settings up to an incredible 255 times. And the internationally-adored program even comes with presets for top games and office apps – so you can enjoy your favorites with notttttt wait.
